SRC Check

Safety Checker: If the Current SRC status is "Approved" below, initial the "yes" in the SRC review box. Then fill out the Pass sticker and attach to the exhibit placard. Save this form to turn in at the Paperwork table.

If the SRC Status is not approved, all signed MS-EZ forms and project procedures must be taken to the Paperwork Table by the person setting up the display. The reviewers there will look at all corrections, offer final approval and give a sticker to be placed on the exhibit placard.

Current SRC Status: not yet approved
